Festive Science Investigations

Primary Science Teaching Trust

Bring a wintry twist to science this season

Festive Science Investigations offer your whole school an easy way to enjoy high-quality, curriculum-linked science activities at the end of term. Each lesson is ready to use, age-appropriate, and supported with clear guidance so every teacher can take part with confidence.

What's included:

- Recorded lessons for each age phase (3–5, 5–7, 7–9, 9–11).
- Guidance pack with easy-to-source resources.
- Access available 23 November to 18 December 2026.

only £50 per school
