Outdoor Summer Science Lessons

Take science learning beyond the classroom this summer

Launching 26 April 2027
Available throughout the summer term

Primary Science Teaching Trust

ONLY £50 for SCHOOL-WIDE ACCESS

pstt.org.uk/events

Join PSTT's Primary Science Mentors for a series of recorded outdoor science lessons designed for every primary age phase (3–5, 5–7, 7–9 and 9–11).

Each lesson introduces a curriculum-linked investigation that children can carry out in their school grounds or a nearby green space, supported by their class teacher.

What's included:

- Four recorded outdoor science lessons
- Teacher guidance and resource information
- Investigations using low-cost, easy-to-source materials
- Flexible access throughout the summer term

PSTT is a registered charity (no. 1190196) and a registered company (no. 12596629) in England and Wales.
